

## **Resource Base Teacher - Required as soon as possible.**

Full time, term time only.

The salary is in accordance with the main pay scale or relevant UPS.

Do you passionately believe that all children should have the opportunity to achieve? Are you excited by the prospects of working under the guidance of the school SENDCO and the Resource based manager to plan and teach a bespoke provision? Are you passionate about creating a learning environment to inspire? Are you approachable, committed, enthusiastic, positive, self-motivated, well-organised and able to work in a team? Then we want to hear from you!

We require an experienced, enthusiastic, and motivated Resource base teacher to join our supportive and friendly Inclusion and Diversity team. We are looking for someone to teach in our amazing nurturing Resource base. The successful applicant will be keen to teach and support KS3 and KS4 pupils with complex needs.

As a Resource base you will be expected to build on successful, positive relationships with pupils: supporting the Resource base manager to maintain a secure, challenging and stimulating learning environment. You will need to be able to work flexibly, showing initiative when necessary. You will be required to work with small groups or on a 1:1 basis with children to focus on their specific areas of learning to meet their needs.

Our children respond well to people who are warm, friendly and above all nurturing. If you believe you can have a positive impact on the daily learning experience of the children at our school, then we would love to hear from you. Visits to the school are encouraged to see the Resource base in practice.
